

PACKING LIST FOR CLIMB

To ensure a safe, comfortable, and successful trek, we recommend bringing the following essential gear:

Clothing & Layering

- Thermal underwear (base layer)
- Thermal top
- T-shirts (moisture-wicking preferred)
- Fleece jacket
- Fleece trousers
- Down jacket (for cold conditions)
- Summit trousers (windproof/water-resistant)
- Rain jacket (waterproof)
- Rain trousers/pants (waterproof)
- Poncho (optional for extra rain protection)

Head & Hand Protection

- Sun hat
- Balaclava (for cold and wind protection)
- Thick gloves (insulated)
- Liner gloves (inner layer)
- Sunglasses (UV protection)
- Snow goggles (for summit conditions)

Footwear

- Hiking boots (comfortable and well broken-in)
- Gaiters (to keep dust, mud, or snow out of boots)

Equipment & Accessories

- Day backpack
- Water bottle or hydration system
- Walking sticks/trekking poles

- Headlamp or torch (with extra batteries)
- Binoculars (optional)

Sleeping Gear

- Sleeping bag (suitable for cold temperatures)
- Sleeping bag liner (for extra warmth and hygiene)

Bringing the right gear will greatly improve your comfort and help you fully enjoy your Kilimanjaro adventure.
